

Advanced D3 & K2 Formula

Both Vitamins D3 & K2 are fat soluble nutrients which are necessary to support bone density and aid with calcium absorption. Additionally, these two vitamins support cardiovascular and immune health.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.
