

MUSCLE FEAST

Muscle Feast's Recover is a combination of our amazing Premium Protein Blend and CarboLean. It's further enhanced by a strong dose of amino acids, L-Glutamine and Creapure® Creatine Monohydrate.

Recover is intended to be taken after working out. The product is ideal for post-workout, because it packs a punch with 44 grams of protein and 44 grams of our CarboLean. The combination helps fuel fast recoveries and ensure the most absorption of protein and amino acids.
