

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Mfg. in an FDA Registered Facility
using Good Manufacturing Practices (GMPs)

Royal Jelly ("Bee's Milk") contains protein, minerals, vitamins, amino acids, and other natural factors, including 10-Hydroxy-2-Decenoic Acid (10-HDA). It is this extraordinary, nutrient rich food that turns the common worker bee into the dynamic Queen Bee, making her a giant among her relatives, giving her enormous strength and extending her life many times over.

Keep tightly closed. Use before date shown.
Store at room temperature 59°-86° F (15°-30° C).

KEEP OUT OF REACH OF CHILDREN.

Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability.

WARNING: If you are allergic to bee products, do not take this product. If you are pregnant or nursing, consult your physician before taking this product.
