

UNLEASH YOUR POTENTIAL®

Is there anything worse than a problematic prostate? This holistic formula tackles the three most aggravating symptoms.

SLEEP THROUGH THE NIGHT

Late night trips to the bathroom can leave you and your loved one feeling groggy and cranky in the morning. By helping to relieve sudden urges to go, Force Factor® Prostate will enable you to wake up refreshed, relieved, and ready to make the most of your day.

FULLY EMPTY YOUR BLADDER

Get the relief you want and make discomfort and dribbling distant memories. Key natural ingredients help increase urinary flow so you can finally feel more at ease.

SUPPORT YOUR AGING PROSTATE

As you get older, you are at risk for issues associated with an aging prostate. This innovative supplement helps you maintain a normal prostate size, so you don't have to leave your health solely up to chance.

DIRECTIONS •

Take 2 softgels once daily with food.

ROUND-THE-CLOCK PROSTATE CARE

With every year that passes, prostate issues become more of a concern for millions of men. Needless to say, it's critical that you take care of your aging prostate. Dissatisfied with the limited efficacy of prostate products on the market, the researchers at Force Factor® formulated a more optimal solution using only premium, scientifically studied ingredients. You finally have the opportunity to reduce discomfort and improve your prostate health.

PROSTATE SIZE SUPPORT MATRIX™

Saw palmetto extract helps alleviate those sudden urges to go that lead to frequent, inconvenient trips to the bathroom. It has also been clinically shown to help you maintain a normal prostate size, providing round-the-clock support.

FLOW ENHANCEMENT COMPLEX™

A blend of beta-sitosterol and traditional herbs such as African plum tree extract, stinging nettle, and pumpkin seed supports urinary flow and volume so you can fully empty your bladder for relief when you need it most.
