## How to take Elite Green Protein™

This product is VERY cleansing, so start slowly  
with 1 teaspoon per day in water, juice, smoothie,  
or a meal (salad, for example). Then, increase slowly  
to 2 or more heaping tablespoons per day. This prod-  
uct is pure food and can be consumed in any quantity.  
It will nourish your entire body in a way that only  
whole superfoods can.

**Intensive Use:** 6 or more heaping tablespoons per  
day, ideally spread out. Non-toxic FOOD.

## How Does This Taste?

This product is Lean, Mean, and deeply Green. NO  
watering down. NO retreat. NO surrender.  
NO compromises. NO Way! Little kids and non-  
warriors can and do take this, and so can you! Seasoned  
superfood warriors find this a tasty treat. Other war-  
riors will master it in time. Alcohol is an acquired taste  
and Elite Green Protein™ tastes WAY better than  
alcohol. Easy to take in juice. No excuses.

## Are You Warrior Enough?

## THE STORY OF WARRIOR FORCE™

I have been into athletics all of my life. Not  
just "sports," but hard-hitting, muscle-pumping,  
heart-pounding, mentally-grueling, endurance-  
testing sports. Warrior Sports. *Part of me would  
die if I denied my Warrior Spirit - that is just who I  
am!* I am also hard-core into health! Unfortunately,  
sports "nutrition" products usually have nothing  
to do with actual health. They are notoriously  
unhealthy, many of them downright toxic —  
ultimately contributing to a Warrior's demise. I  
am a Naturopath and Herbal Medicine Researcher,  
and have embraced a hard-core healing lifestyle  
for 26 years, during which I have seen people who  
had healthy looking physiques degenerate and die  
much too soon (or die suddenly) due to their toxic  
diet, lifestyle, and supplements.

## NOT ANYMORE!

## What is a True Warrior™?

It's easy to be an aggressive, selfish, mean, assh%&e.  
Just combine a bad attitude with some "roids" or  
take legal substances that imbalance your body and  
hormones. Then you are just a Barbarian. A True  
Warrior™ is kind (to others - even kind to non-  
warriors, kind to animals, and kind to the Earth),  
unselfish, caring, and lives consciously by a code of  
ethics/honor such as Bushido (Samurai) or Chivalry  
(Knights); yet at the same time is completely willing  
to stand up for those who need it and unleash a fury  
of appropriate force, should battle be required.  
A True Warrior™ is conscious of all the choices  
made in life, and is open-minded. The world needs  
more True Warriors™. Are you a True Warrior™?  
If not, I invite you to become one!

## FOR HARD-CORE, PURIST WARRIORS ONLY

Elite Green Protein™ is unlike ANY protein you  
have ever had. It is 100% complete protein, 100%  
whole food and 100% superfoods, with benefits  
far, far beyond any other protein in existence.  
For example, the phycocyanin in spirulina helps  
to protect and regenerate the kidneys\* (which get  
damaged from animal proteins). Chlorella chelates  
heavy metals, and both spirulina and chlorella protect  
from radiation and are insanely loaded with a full  
spectrum array of cleansing and non-toxic healing  
vitamins, minerals, chlorophyll, and phytonutrients  
for ultimate support of your entire body, including  
incredible recovery and immune function! Minerals in  
inorganic form (isolated supplements, flesh) can be  
toxic. Inorganic iron actually causes heart disease!  
The organic iron in whole plant foods has ZERO  
toxicity! The land plants in Elite Green™ alkalize  
the body. The probiotics aid digestion, brain,  
and immune function\*. The longer you use Elite  
Green™, the deeper the benefits will become.

## "Hype is nothing."

Substance is EVERYTHING!

**100% TruGanic™:** Chemical/pesticide grown foods  
are dramatically nutrient deficient, destroy your health  
and our planet. Genetically Modified Organisms  
(GMOs) in foods are even worse. Do you want poison?  
Organically grown foods are NOT grown with chemical  
or GMOs, are vastly more nutrient dense and are bi-  
compatible with our environment. TruGanic™ is the  
hardest-core purity standard and is significantly better  
even organic, with much stricter standards, including  
packaging and verification of purity via testing the orga-  
nic does not have. TruGanic™ is the Warrior's standard!

**EcoFresh Nutrient Lock™.** Our dark glass with our unique heat treat  
oxygen absorber protects 100% of nutrients (creates a vacuum). Glass is  
recyclable, does not outgas and is non-toxic to melt down. Plastic  
and metal foil pouches (worst & not recyclable) dramatically degra-  
de nutrient levels. Plastic outgasses & is highly toxic to melt down.
