

One VeganCap™ per day contains 400% more Ginkgo extract than most other products. Numerous studies have shown that Ginkgo is far more effective in higher amounts (at least 120 mg. up to 600 mg. per day). HealthForce Ginkgo contains 250 mg Ginkgo Biloba extract + Eleuthero and Gotu Kola extracts. **SUGGESTED USAGE:** 1-2 VeganCaps™ per day. Take ideally on an empty or light stomach, such as with fresh, raw juice, fruits, or vegetables. It is appropriate, however, to take with other foods or anytime. **INTENSIVE USAGE:** 4 VeganCaps™ per day in 2 divided servings.

CAUTION! Due to Ginkgo's natural effect of increasing blood circulation*, let your doctor know if you are taking any pharmaceutical blood thinning medications, including aspirin, as your dosage may need to be monitored and/or altered.

SUGGESTED ADJUNCTS: An organic, low fat, whole/unprocessed food, Vegan diet with emphasis on high water content raw foods, HealthForce Vitamineral™ Green (a unique superfood complex), Digestion Enhancement Enzymes™, Liver Rescue™ III+, Oxygen Supreme™, cayenne pepper, ginger, and exercise. *I wish you health and happiness always. - Dr. Jameth Sheridan (N.D.)*
