

Directions: As a dietary supplement for adults, take 3 tablets daily or as directed by a healthcare professional.

Warning: Do not use if you are pregnant or nursing.

Keep out of reach of children.

Cholesta-Lo® is a comprehensive formula that provides nutrients and other key factors to nutritionally support healthy cholesterol levels* within the normal range. Along with plant sterols and flush-free niacin, it includes Resveratrol, which research suggests may play a role in supporting cardiovascular health. It is also potency enhanced with Futurebiotics® exclusive BioAccelerators™, including Lactospore® probiotics, for improved nutrient absorption and utilization.

Bioperine®, Digezyme® and Lactospore® are registered trademarks of Sabinsa Corp.
