

Silymarin Plus™ contains 80% silymarin from Milk Thistle extract. Silymarin is a group of lignan flavonoids unique to Milk Thistle and has been used extensively in European practice. Silymarin Plus™ is also potency enhanced with Futurebiotics® exclusive BioAccelerators™, including Lactospore® probiotics, for improved nutrient absorption and utilization. Silymarin Plus™ nutritionally supports healthy liver function.*

Bioperine®, Digezyme® and Lactospore® are registered trademarks of Sabinsa Corp.
