Recommended Use: As a dietary supplement, take 1-3 capsules 30 minutes prior to activity to assess tolerance. Once tolerance is assessed, up to 6 capsules may be taken together or in divided doses. Exceeding recommended daily use is not advised. Use caution when combining with other blood flow or pump-enhancing dietary supplements or foods as a drop in blood pressure may occur. Consult your physician prior to use if using medications that affect blood pressure, flow, or thickness.
