

One VeganCap™ per day contains 400% more Ginkgo extract than most other products. Numerous studies have shown that Ginkgo is far more effective in higher amounts (at least 120 mg. up to 600 mg. per day), and more effective when taken in higher potencies less times per day than lower potencies more times. HealthForce GroForce contains 250 mg Ginkgo Biloba extract + Siberian Eleuthero extract and Gotu Kola extract as supportive herbs. HealthForce CircuForce offers the maximum effectiveness at the best possible value. Glass bottle with metal lid and oxygen absorber preserves the product optimally. **SUGGESTED USAGE:** 1-2 VeganCaps™ per day. Take, ideally, on an empty or light stomach, such as with fresh, raw juice, fruits, or vegetables. It is appropriate, however, to take with other foods or anytime.

7/2015 10196 38

INTENSIVE USAGE: 4 VeganCaps™ total per day (in 2 divided servings).

CAUTION! Due to Ginkgo's natural effect of increasing blood circulation®, let your doctor know if you are taking any pharmaceutical blood thinning medications, including aspirin, as your dosage may need to be monitored and/or altered.

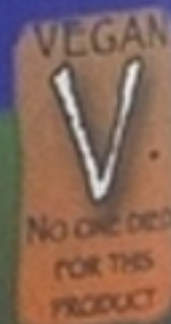

SUGGESTED ADJUNCTS: An organic, low fat, whole/unprocessed food/Vegan diet with emphasis on high water content raw foods: HealthForce Vitamineral™ Green (a unique superfood complex), Oxygen Supreme™, Liver Rescue™ III+, Digestion Enhancement Enzymes™, cayenne pepper, ginger, and exercise (both aerobic (try rebounding) and strength exercises).

I wish you great health and happiness always.

- Dr. Jameth Sheridan (N.D.)
