Serving Size 1 Vita-Strip®

| Amount Per Strip                                                                                                            | % DV                               | Prenatal % DV |
|-----------------------------------------------------------------------------------------------------------------------------|------------------------------------|---------------|
| Calories                                                                                                                    | 20                                 |               |
| Total Fat                                                                                                                   | 1 g                                | 1%**          |
| Total Carbohydrate                                                                                                          | 2 g                                | 1%**          |
| Protein                                                                                                                     | <1 g                               | 1%**          |
| Vitamin A (75% as beta-carotene from <i>Blakeslea trispora</i> and <i>Dunaliella salina</i> and 25% as vitamin A acetate)   | 1,875 mcg                          | 208%          |
| Vitamin C (as calcium ascorbate and ascorbic acid)                                                                          | 500 mg                             | 556%          |
| Vitamin D <sub>3</sub> (as cholecalciferol)                                                                                 | 25 mcg (1,000 IU)                  | 125%          |
| Vitamin E (as d-alpha-tocopherol concentrate, d-alpha-tocopheryl acid succinate, mixed tocopherols, and mixed tocotrienols) | 134 mg                             | 893%          |
| Vitamin K (as phytonadione)                                                                                                 | 120 mcg                            | 100%          |
| Thiamin (as thiamine mononitrate)                                                                                           | 9 mg                               | 750%          |
| Riboflavin                                                                                                                  | 10.2 mg                            | 785%          |
| Niacin (as niacinamide)                                                                                                     | 120 mg                             | 750%          |
| Vitamin B <sub>6</sub> (as pyridoxine hydrochloride)                                                                        | 12 mg                              | 706%          |
| Folate                                                                                                                      | 1,336 mcg DFE (800 mcg folic acid) | 334%          |
| Vitamin B <sub>12</sub> (as cyanocobalamin)                                                                                 | 36 mcg                             | 1,500%        |
| Biotin (as d-biotin)                                                                                                        | 300 mcg                            | 1,000%        |
| Pantothenic Acid (as d-calcium pantothenate)                                                                                | 60 mg                              | 1,200%        |
| Calcium (as dicalcium phosphate and calcium ascorbate)                                                                      | 500 mg                             | 38%           |
| Iron (as ferrous fumarate)                                                                                                  | 18 mg                              | 100%          |
| Phosphorus (as dicalcium phosphate)                                                                                         | 350 mg                             | 28%           |
| Iodine (as potassium iodide and sea kelp)                                                                                   | 290 mcg                            | 193%          |
| Magnesium (as magnesium oxide)                                                                                              | 200 mg                             | 48%           |
| Zinc (as zinc gluconate)                                                                                                    | 15 mg                              | 136%          |
| Selenium (as trace mineral protein hydrolysate)                                                                             | 70 mcg                             | 127%          |

| Amount Per Strip                                                                                                                                        | % DV                     | Prenatal % DV |
|---------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|---------------|
| Copper (as copper gluconate)                                                                                                                            | 1 mg                     | 111%          |
| Manganese (as manganese gluconate)                                                                                                                      | 2.6 mg                   | 113%          |
| Chromium (as trace mineral protein hydrolysate)                                                                                                         | 120 mcg                  | 343%          |
| Molybdenum (as trace mineral protein hydrolysate)                                                                                                       | 75 mcg                   | 167%          |
| Sodium                                                                                                                                                  | 10 mg                    | <1%           |
| Total Omega-3 fatty acids (from ultra-pure marine lipid concentrate)                                                                                    | 500 mg                   | †             |
| Our full spectrum includes:                                                                                                                             |                          |               |
| EPA (eicosapentaenoic acid)                                                                                                                             | 280 mg                   | †             |
| DHA (docosahexaenoic acid)                                                                                                                              | 180 mg                   | †             |
| And five other naturally found fatty acids, including: docosapentaenoic, stearidonic, eicosatetraenoic, heneicosapentaenoic, and alpha-linolenic acids. | 40 mg                    | †             |
| <i>Bifidobacterium longum</i> (probiotic)                                                                                                               | 4.9 mg (250 million CFU) | †             |
| <i>Lactobacillus acidophilus</i> (probiotic)                                                                                                            | 3.7 mg (250 million CFU) | †             |
| Lycopene (from tomato extract)                                                                                                                          | 2.5 mg                   | †             |
| Lutein (from marigold flower extract)                                                                                                                   | 5 mg                     | †             |
| Zeaxanthin (from marigold flower extract)                                                                                                               | 200 mcg                  | †             |
| Mixed tocopherols (gamma-, beta-, and delta-tocopherols)                                                                                                | 35 mg                    | †             |
| Cranberry extract ( <i>Vaccinium macrocarpon</i> ) (fruit)                                                                                              | 50 mg                    | †             |
| Nickel (as trace mineral protein hydrolysate)                                                                                                           | 15 mcg                   | †             |
| Tin (as trace mineral protein hydrolysate)                                                                                                              | 10 mcg                   | †             |
| Silicon (as silicon dioxide)                                                                                                                            | 11 mg                    | †             |

\*\*Percent Daily Values (DV) are based on a 2,000 calorie diet. †Daily Value not established.

**Other Ingredients:** (tablets) microcrystalline cellulose, hydroxypropyl methylcellulose, croscarmellose sodium, spirulina, orange oil, citrus bioflavonoids (grapefruit, lemon, orange), hydroxylated soy lecithin, hesperidin complex, rose hips powder, inositol, choline bitartrate, alfalfa powder, rice bran powder, acerola extract; (capsules) gelatin, glycerin, yellow beeswax, palm oil, annatto color, safflower oil, soybean oil, medium chain triglycerides, soy lecithin, pectin.

ITEM #20283

## The Right Nutrients to the Right Place at the Right Time

- S.M.A.R.T.™**
- Vita-Lea® Advanced Multivitamin** Microcoated for immediate release in the stomach to enhance absorption of folic acid.
  - B+C Complex** Provides up to 198% greater absorption of B vitamins over 12 hours, as shown in a clinical study, through sustained-release delivery to the small intestine.
  - Caroto-E-Omega** Ultra-pure omega-3 fatty acids sustainably sourced from wild fish from pure Alaskan waters, plus carotenoids and vitamin E, delivered to the upper intestine.
  - Optiflora® Pearl Probiotic** Delivers healthy microflora to the lower intestine through triple-layer encapsulation technology, protecting them from stomach acid.
- Patented, cutting-edge delivery system designed to improve absorption of key nutrients.

**Excellent for prenatal/postnatal use**

**Shaklee**  
**Vitalizer Women™**  
DIETARY SUPPLEMENT  
**30 VITA-STRIPS®**

Nutrients clinically proven to create a foundation for a longer, healthier life.\* Patented delivery system to help improve absorption.

- Comprehensive Formula Supports:\***
- Bone health
  - Immune health
  - Digestive health
  - Breast health
  - Physical energy
  - Healthy hair, skin, and nails
  - Heart health
  - Reproductive health

**Feel Better in 30 Days or Your Money Back**

**S.M.A.R.T.™** delivery system protected by multiple patents and patent pending; U.S. Patent No(s): 5,478,570; 6,465,013; 6,852,335; 6,982,095; and 9,248,095.

Store in a cool, dry place.  
Printed on recycled paper with soy-based ink.
