

DIRECTIONS: One vegetable capsule per day after a meal for two weeks, then dosage may be increased to one capsule three times per day or as directed by a health care professional.

Keep bottle tightly closed and refrigerated.

Sold only for dispensing by a licensed health care professional.

Pregnant and/or lactating women should consult their physician prior to use.

TAMPER EVIDENT BAND AROUND CAP AND SEAL ON BOTTLE. DO NOT USE IF EITHER SEAL IS BROKEN OR MISSING. KEEP OUT OF REACH OF CHILDREN.

Each capsule contains 2.8 billion live organisms. The delayed release capsules are acid resistant and heat tolerant to allow delivery of the live organisms into the intestinal tract. Contains no milk, whey, soy, corn, wheat, yeast or preservatives.

Progressive Laboratories manufactured this product in its 3rd party GMP-inspected facility.
