SUGGESTED USE: As a dietary supplement, take three (3) capsules together before a meal, or as directed by your healthcare professional. The highest dose we recommend is a maximum of three (3) capsules taken together, twice per day. For those with a more sensitive constitution, we recommend taking one (1) capsule from one to three times per day before a meal.

For best results, Vimerson Health products should be used alongside a healthy diet and regular exercise.

CAUTION: Do not exceed the recommended dose. Always consult your healthcare professional before taking this or any dietary supplement, especially if you are under 18. Do not take this product if you are pregnant or nursing, if you have a history of gallstones, bile duct obstruction, bleeding disorders, or if you are using anticoagulants (blood thinners). Please consult with your healthcare professional before taking Glucosamine if you are suffering from glaucoma. You should also consult a professional if you are taking medications or if you have an existing medical condition. Discontinue use and consult your doctor if adverse reaction occurs. Remember that you should not take supplements as a substitute for a varied balanced diet or healthy lifestyle.

ZERO Hormones, Antibiotics, Eggs, Tree Nuts, and Peanuts.
