

Muscle Feast BCAA 4:1:1 are instantized for optimal mixability and absorption. They can be taken 2-4 times a day, as a pre, intra, or post workout to increase protein-synthesis. In addition, Muscle Feast BCAAs can help decrease post-exercise soreness and decrease muscle loss during periods of caloric restriction.

SUGGESTED USE:

As an adult dietary supplement, mix one serving (8.3g) with 12 ounces of water or beverage of your choice.
