

Symply Magic

Symply Magic is a synergistic blend of all natural ingredients specially formulated to help you lose weight, gain more energy and keep the weight off!

Symply Magic is a unique combination of specialized herbal concentrates, vitamins, and minerals designed to enhance metabolism at the cellular level and give you more energy.

Symply Magic is a unique formula that includes jet black, a dark chocolate powder coco seed extract, phenylethylamine, caralluma fimbriata a unique herb from India, natural caffeine, plus aquamin sea minerals that help boost your energy while slowing and reducing your appetite. Take one or two capsules a day to increase energy and decrease hunger cravings.

Eat Less + Feeling More Energetic = Weight Loss!

With Symply Magic you will feel more energized throughout your day's routine and eat less because it helps reduce and control your appetite giving you the power to make wise food choices and not give into cravings. The combination of increased energy and activity as well as reduced caloric intake helps those weight loss goals become a reality and more attainable!

Reach your weight loss GOALS!

When combined with plenty of rest, exercise and eating properly, Symply Magic can help you achieve your weight loss goals in no time. Imagine having control over food and not allowing it to control you plus having enough energy that you actually want to exercise. For most, one capsule a day is all it takes to realize the benefits of Symply Magic. Take it in the mid-morning and the mid-afternoon to help maintain sustained energy levels through-out the day and quell hunger while boosting your metabolism. Unlike other dietary supplements, Symply Magic also provides a metabolizing blend of digestive enzymes that will help improve your digestive system.

Accomplish MORE in your Day while you LOSE weight

Lack of energy is a major complaint of many people! However, many are over-run with stress, feel listless, tired and agree there is never enough time each day to complete what needs to be done let alone find the time to diet or the energy to exercise. Those concerns are long gone with Symply Magic, the all-natural dietary supplement solution to add vitality to your day while you lose weight.

Suggested Use: Adults, orally take 1 capsule mid-morning and/or mid-afternoon, 2 hours after a meal or on an empty stomach. Benefits should be noticed within 60-90 minutes.

Recommended: Drink 8 glasses of water per day, exercise a minimum of 3 days per week and eat a reduced calorie diet.

- Do not take too late in the day as sleep may be impaired.
- Do not take more than 4 capsules per day.
- Do not take if you have a history of seizures.
