Apple Cider™ Vegan Gummies provide a simple and convenient way to take traditional apple cider vinegar, without the vinegar taste. The gummy contains high-quality dried apple cider vinegar.

APPLE CIDER VINEGAR

Apple cider vinegar has been used to promote health and well-being for centuries. It is produced by selecting and picking apples, which are then cold pressed, and fermented into vinegar by adding acetic acid bacteria. The apple cider vinegar is then dried into a fine powder.

DIRECTIONS:

Adults: Take 2 gummies per day.

Warnings: Keep out of reach of children. Do not take when pregnant or breastfeeding. Do not use if seal under cap is broken or missing. It is not recommended to exceed this dosage. Excessive consumption may produce a laxative effect. Discontinue use and consult your doctor if any adverse reactions occur. Store in a cool and dry place
