Suggested Usage: Adults and children age 4+ take 1-2 scoops daily blended in 4 oz. of cool to room temperature liquid or food, or as directed by a healthcare professional. For best results, start with 2 scoops daily for the first 4 to 12 weeks, then continue with 1 scoop daily for maintenance.

Warning: If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

Caution: If you are immunocompromised, consult your healthcare professional before using probiotic-containing products.
