Why Take ProNutrients Fruit & Veggie?

ProNutrients Fruit & Veggie is a phytonutrient supplement with antioxidant properties to support **cell protection** and **general health***.

It contains a blend of fruit & vegetables, 100% naturally sourced from grapes, blueberries, raspberries, plums, carrots, and tomatoes. Each MiniTab of ProNutrients Fruit & Veggie harnesses the power equal to a serving of a blend of fruits & vegetables.† Take ProNutrients Fruit & Veggie on its own or as a complement to your multivitamin and as part of a diet rich in fruits and vegetables.

Cell Protection* **General Health***

† Based on the average ORAC values for the top 10 most commonly consumed fruits and vegetables in the US. ORAC measures the antioxidant capacity of fruits and vegetables. This product is not intended to replace your daily intake of fruits and vegetables.
