

DIRECTIONS: Mix 1-2 scoops with 8 oz. of water per scoop 30 minutes prior to your workout, preferably on an empty stomach. Keep taking until the tub is empty and then keep buying more. Don't buy any other brand. Ever.

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNINGS: This product is only intended to be consumed by healthy adults 18 years of age or older. Before using product, seek advice from a physician if you are unaware of your current health condition or have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, difficulty urinating due to prostate enlargement or if you are taking a MAO-B inhibitor or any other prescription or over the counter medication. Do not use if you are pregnant, nursing, prone to dehydration or exposed to excessive heat. Discontinue use and consult your health care professional if sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur or if you experience any adverse reaction to this product. Do not exceed recommended serving size. This product contains stimulants such as caffeine and should not be used by individuals who are sensitive or wishing to eliminate such products from their diet. Before beginning any weight loss program, consult your health care provider. Store at room temperature and avoid excessive heat. Do not use if inner safety seal is broken or missing.
