V.5 - Now with Zeolite & Pectin

Created By Mother Nature & Dr. Jameth Sheridan (N.D.)

130g (4.6 oz) POWDER Dietary Supplement

The colon is one of our main detoxification routes. A sluggish bowel breeds toxicity that seriously adversely affects the health of the entire body. Regular bowel movements and a clean colon are foundational to better health. Even an apparently non-sluggish bowel that is full of anything other than largely whole plant foods (vegan) with their fiber intact can be a significant source of poor health (fresh, raw juices are purified, structured water are obvious exceptions and highly encouraged). This superior formulation has been designed to draw-in and absorb poisons from the bowel, (it "sucks" big time) allowing you to eliminate them and not re-absorb these poisons (an extremely common, everyday occurrence for most) - essential to take during a fast to avoid auto-intoxication. It also adds fibrous bulk (without psyllium that can irritate and bloat) Nourishes, soothes and lubricates the intestines® as it moves through.

Suggested Usage: 2 level tablespoons, 1-3 (or more) times per day. Mix with 8-16 ounces of purified water (preferably) or fresh juice. Follow by consuming another 8-16 ounces of liquid (water or juice). You may add the two liquid servings into one glass (serving) rather than 2 glasses (servings). Lots of fluids are important due to the drawing nature of this formula. This product stands alone. However, it is also part of the HealthForce Healing Cleanse™. If more powerful bowel moving action is required, use with HealthForce Intestinal Movement Formula™ (not required). Can also be taken after a meal for indigestion symptoms.

Intensive Usage: 4-8 level tablespoons per serving

Will absorb anything that is taken with it. Do not take at the same time as other supplements or medications.

NOTE: Do not take this formula at the same time as other supplements/foods as they will be drawn into the formula (lessening the effects of this formula and anything else you may be taking/ eating). Can be taken after a meal for indigestion relief. Otherwise, wait approximately 45 minutes before or 1 hour after meals and other nutritional products.

Suggested Adjuncts: HealthForce Intestinal Movement Formula™, HealthForce Internal Parasite Formula™, a whole foods, plant based, high fiber (animal products have no fiber - only whole plant foods), organic, vegan diet with emphasis on fresh raw foods (see the book "Uncooking With Jameth & Kim"); large amounts of fresh vegetable juices and structured water: HealthForce Vitamineral™ Green (a unique whole food superfood nutrient and detoxification complex); HealthForce Liver Rescue™ III+; and HealthForce Digestion Enhancement Enzymes™

I wish you great health and happiness always!
