

Suggested Usage: Take 2 capsules day or as directed by a healthcare professional.

Peak Performance USA Bred Colostrum Capsules are processed with a perfected method to preserve the efficacy and bioactivity of the colostrum.

Through special High Temperature Short Time (HTST) and Batch Pasteurization processes, potentially harmful pathogens are removed while immunoglobulins, peptides and other biologically important proteins retain their bioactivity.

Our colostrum is spray dried using low pressure indirect steam and carefully controlled temperatures to produce a high quality powder capsules while protecting the colostrum proteins.
