

DIRECTIONS: One capsule four times daily. Four capsules supply 100% of the R.D.I. for calcium. Microcrystalline calcium hydroxyapatite is raw bone prepared by a special low temperature process (below 37°C) to preserve the protein content. The calcium thus provided is in an extremely bioavailable form. In addition, the product may contain trace amounts of other beneficial minerals.†

Sold only for dispensing by a licensed health care professional.

Pregnant and/or lactating women should consult their physician prior to use.

TAMPER EVIDENT BAND AROUND CAP AND SEAL ON BOTTLE. DO NOT USE IF EITHER SEAL IS BROKEN OR MISSING. KEEP OUT OF REACH OF CHILDREN.
