

Antarctic Krill Oil DX contains 42% phospholipids that carry the bonded omega-3 essential fatty acids, DHA & EPA directly to your cell membranes. Along with naturally occurring Astaxanthin, a potent antioxidant, **Krill Oil** supports optimal neural and heart function while providing a healthy inflammation response for joints. Harvested from sustainable sources.[†]

Suggested Use: Take 2 softgels daily with first meal.
STORE IN A COOL, DRY PLACE.

This product is free of yeast, gluten, milk or milk products, soy, tree nuts, egg and artificial colors, artificial sweeteners and artificial preservatives.

CAUTION: Consult a health care professional prior to use if you are pregnant, breastfeeding, allergic to shellfish or fish, or have a blood coagulation condition or are taking anticoagulant medication.
