

Unwanted organisms are a ubiquitous, lurking, and significant deterrent to health. They are implicated in many health situations. They feed off of your nutrients, and excrete highly toxic wastes. SCRAM™ dietary supplement uses **therapeutically effective quantities** of Cloves, Black Walnut and Wormwood to kill unwanted microorganisms.\* Milk Thistle Seed Extract and Wasabi Extract are added to support the liver\* and help control die-off reactions\*.

**SUGGESTED USAGE:** **Day 1:** One VeganCap™. **Day 2:** Three VeganCaps™. **Day 3:** Six VeganCaps™. **Days 4-18:** Ten VeganCaps™. **Take, ideally, all at once,** or as directed by a qualified health care professional. Take until the bottle is gone. Why ten caps for 16 days? Because that is what is required for effectiveness. In some cases, this protocol may need to be repeated immediately after the first round. Depending on your situation, you may need **LESS** or **MORE**. Can be optionally used with HealthForce Liver Rescue™ 4+ (to further assist in detoxification), HealthForce Intestinal Drawing Formula™, & HealthForce Intestinal Movement Formula™ for even greater results in both colon and overall health. If you feel nauseous or lethargic taking this product, add HealthForce Liver Rescue™ 4+; lower your usage level or discontinue use. **NOT** for use during pregnancy, lactation, or if you are trying to get pregnant.

**SUGGESTED ADJUNCTS:** Garlic; Oregano; a whole foods, organic, Vegan diet with emphasis on high water content foods; fresh vegetable juices; HealthForce Vitamineral™ Green and Earth™ (unique and extremely nutrient dense superfood complexes **for comprehensive nutritional support and cleansing**); Liver Rescue™ 4+ and Digestion Enhancement Enzymes™.
