

DIRECTIONS: As a dietary supplement, take 2 capsules two times daily, preferably with a meal.

Black Cohosh is among the world's most popular herbs for women. This native American herb has been used for centuries for supporting women's health and has now been scientifically researched for its beneficial effects during menopause. It has found widespread use and official recognition in European countries and is now becoming the worldwide herb of choice for women seeking a natural approach to mid-life changes. This assured potency formulation uses Black Cohosh Extract (standardized to contain 2.5% total Triterpene glycosides, 2 mg.), Soy Germ Isoflavone Concentrate (standardized to contain 3% Isoflavones, 21 mg.), Korean Ginseng (Panax Ginseng, 2.5 mg.) Extract (standardized to contain 5% Ginsenosides), and Mexican Wild Yam 10:1 Extract.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.
