

Supplement Facts

Serving Size: 5.4 grams (1.5 teaspoons)

Servings per Container: Approximately 92

Amount Per Serving	Daily Value
Naturally Occurring Food Source Vitamin C (302mg)	503%

Contains Acerola extract with Non-GMO Maltodextrin as a drying medium.

EACH 1.5 TEASPOON PROVIDES: 302 mg. of naturally occurring, truly natural, absorbable, non-toxic Vitamin C complex from a whole food extract of Acerola Berry. (containing naturally occurring co-factors including bioflavonoids, vitamins, minerals, and phytonutrients.) Naturally buffered. This product **does NOT contain isolated Vitamin C!** This truly natural Acerola concentrate is **not** excreted in large amounts in the urine (visible as a yellowish tint), it is **not** highly acidic, is non-toxic and does **not** cause nutrient imbalances (does not imbalance iron and copper levels or promote anemia, etc). Vitamin C never occurs as an isolate in nature, it is part of an entire vitamin C complex! Food Sources of the entire Vitamin C complex are the only way to get nutrition as nature intended. Mix with water, fresh juice, smoothies, Vegan milks, HealthForce Vitamineral™ Green, or other food.
