

MindCare® is a clinically proven mental fitness formula which helps students with their academic performance. It also helps professionals minimize normal cognitive deficits associated with aging. MindCare® helps with occasional forgetfulness and mental fatigue.*

Recommendation: Children: 1 teaspoonful twice per day. Adults: 1 to 2 teaspoonfuls, 2 or 3 times per day, preferably with meals.

Shake well before use.

Caution: Keep out of direct light and out of the reach of children.
