

PROCERA AVH[®] memory

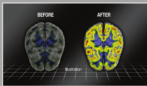

STIMULANT FREE!

BREAKTHROUGH SCIENCE IN BRAIN HEALTH AND PERFORMANCE[†]

Studies now show by the age of 40, on average, we have already lost well over 30% of our brainpower, and by age 50-55 up to 50%...that's half your memory, focus, and mental quickness gone. It doesn't have to be this way! **Procera AVH[®]** was clinically shown to help restore the memory and brain power you had 10-15 years ago!

INCREASED OXYGEN AND ENERGY[†] (from one of Procera AVH[®]'s Natural Ingredients)

HOW PROCERA AVH[®] WORKS

Step 1. Oxygenates brain cells to revitalize your mind.[†]

Step 2. Restores your depleted neurotransmitters with vital nutrients for a sharper brain.[†]

Step 3. Protects your brain against free radicals from stress and toxins.[†]

Huperzine A (from Huperzia serrata) (whole plant)		

* Daily Value (DV) Not Established

Other ingredients: Microcrystalline cellulose, dicalcium phosphate, stearic acid, croscarmellose sodium, magnesium stearate, silica and film coating (polyethylene glycol, hydroxypropyl cellulose, polyethylene glycol).

Procera AVH[®] is a proprietary, patent pending, nutritional supplement that was clinically tested and shown to help improve memory, focus, mental clarity, and even mood.[†] Procera AVH[®]'s double-blind, placebo controlled University Clinical trial was conducted at the Brain Sciences Institute in Australia. For more information about the landmark trial, please go to www.ProceraHealth.com.

Procera AVH[®]'s natural ingredients are supported by over 20 years of clinical study and use. Its unique triple-action can help improve the brain's use of oxygen, glucose and acetylcholine, a neurotransmitter for improved brain function.[†]

WARNING: Do not use this product if pregnant or are contemplating becoming pregnant, lactating or under the age of 18. It is strongly recommended that you seek advice from your physician if you are taking any prescription or over the counter medication or have or suspect you have any pre-existing medical condition, as taking this product may be a concern for some people. Do not use if you have high blood pressure or heart problems. Do not exceed recommended intake. If you experience any adverse reaction to this product immediately discontinue use and contact your physician. **KEEP OUT OF REACH OF CHILDREN.**
