

AllerEze™

Herbal Concentrate for Seasonal Respiratory Support

60 vegetarian capsules
Dietary Supplement

Suggested use for adults:

2-3 capsules at first sign of acute symptoms, then 1-2 capsules every hour until symptoms are gone or a maximum of 15 capsules have been taken. For prevention, take 1-2 capsules three times daily, or as directed by your health care practitioner.

Caution: Contraindicated in pregnancy due to licorice content.

This product is intended for professional use and is manufactured under strict quality control to ensure the optimum in purity, potency and reliability.

This product contains no yeast, wheat, soy, corn, milk, salt, sugar, artificial coloring, preservatives or flavoring.

Keep in a cool, dry place tightly capped.
