

Cal Apatite® is complete bone nutrition featuring purity-certified, calcium-rich microcrystalline hydroxyapatite concentrate (MCHC), a complex crystalline compound composed primarily of calcium, phosphorus, and organic factors that naturally comprise raw bone. The MCHC in Cal Apatite is cold-processed to preserve the delicate protein matrix and organic factors.

Calcium, along with regular exercise and a healthy diet, can play a significant role in reducing the rate of bone loss or bone thinning and in protecting bone strength.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three tablets daily or as directed by your healthcare practitioner.

CAUTION: Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, soy, dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
