

Arginine Plus™ delivers high quality L-arginine with folic acid and L-5-methyl tetrahydrofolate—a body-ready form of folate—to support healthy blood flow, homocysteine levels, and overall cardiovascular health. Providing two forms of folate may better ensure optimal folate nutrition, even in those with genetic variations in folate metabolism.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**DIRECTIONS:** Take two tablets two times daily or as directed by your healthcare practitioner.

**CAUTION:** If pregnant or nursing, or taking medications, consult your healthcare practitioner before use. If you have had a myocardial infarction (heart attack), consult your cardiologist before use. Keep out of the reach of children.

**STORAGE:** Keep tightly closed in a cool, dry place. Do not refrigerate.

**Formulated to Exclude:** Wheat, gluten, corn protein, soy, dairy products, nuts, tree nuts, colors, artificial sweeteners, and preservatives.
