The NATURELO Difference

Our Vitamin B12 comes in the form of Methylcobalamin, the form most readily absorbed into the body. Our Methylcobalamin is produced via fermentation with a food-grade bacteria used in the production of Swiss Cheese and Sauerkraut. We've also added Organic Spirulina to further enhance the benefits of this vegan supplement.*

Caution: Keep out of reach of children. As with any dietary supplement, consult your healthcare practitioner before using this product. Store in a cool, dry place. Do not use if the safety seal is missing or broken.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
