

A water-soluble vitamin, **B-12** is essential for proper energy metabolism, nerve and mental function, red blood cell formation, and cardiovascular health.* It is important for everyone, but especially for vegetarians and seniors who tend to be lacking in B12.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Prolonged release is an advanced manufacturing technique which allows nutrients to be released slowly (over approximately 2-4 hours) promoting optimal assimilation.

*SGS verified the process for manufacturing this product with no GMO ingredients. www.sgs.com/no-gmo

Store in a cool, dry place.

We Guarantee Our Supplements for Potency and Purity
