

High Potency Vitamin C for Skin & Immune Health[†]

Vitamin C is considered a "staple" in any supplement routine. Its powerful antioxidant properties, ability to promote healthy skin, and support of the immune system, contribute greatly to overall health.[†] In addition, the body's inability to store vitamin C makes it necessary to replenish on a daily basis. The addition of bioflavonoids to our **Bio C Caps™** enhances the absorption of vitamin C.[†]

For those who find tablets difficult to swallow, **Bio C Caps™** provide vitamin C in an easy-to-swallow capsule.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool, dry place.
