POWERFUL NATURAL ANTIOXIDANT\*

500 MG • 60 TABLETS

## Supplement Facts

Serving Size 1 Tablet

|                                  | Amount Per Serving | %DV |
|----------------------------------|--------------------|-----|
| Calcium                          | 69 mg              | 6%  |
| Green Coffee Bean Extract (GCA®) | 500 mg             | †   |

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, sorbitol, stearic acid, modified cellulose gum, colloidal silicon dioxide, and magnesium stearate.

Source Naturals **GREEN COFFEE EXTRACT (GCA®)** is a powerful antioxidant that helps protect against oxidative stress caused by free radicals - a major cause of accelerated aging. Derived from raw, unroasted coffee beans and naturally low in caffeine, green coffee extract has been shown in research to support normal cellular regeneration and growth. Green coffee extract is high in chlorogenic and caffeic acid, two primary compounds responsible for the activity of green coffee.\*

**Suggested Use:** 1 tablet 1 to 4 times daily, or as recommended by your health care professional. Each tablet

provides the amount of polyphenols and chlorogenic acid found in an average cup of coffee. Best if not taken in combination with milk or milk containing products - milk proteins may inhibit absorption of polyphenols, some of the active components in coffee and tea. If stomach discomfort occurs, take with food.

**CAUTION:** If you are pregnant or breastfeeding, consult your health care professional before using this product.

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
