

High Potency Vitamin C for Skin & Immune Health†

Vitamin C is considered a "staple" in any supplement routine. Its powerful antioxidant properties, ability to promote healthy skin, and support of the immune system, contribute greatly to overall health.† In addition, the body's inability to store vitamin C makes it necessary to replenish on a daily basis. The addition of bioflavonoids to our **Bio C Caps™** enhances the absorption of vitamin C.

For those who find tablets difficult to swallow, **Bio C Caps™** provide vitamin C in an easy-to-swallow capsule.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool, dry place.

We Guarantee Our Supplements for Potency and Purity
