Support a healthy heart! **Cholesterol Complex with Plant Sterols** is a powerful blend of nutrients designed to naturally support healthy cholesterol levels.[†] This formula includes policosanol, a complex nutrient that has both balancing effects and supports liver cholesterol metabolism.[†] Corowise® plant sterols are natural components found in plants that may help excrete cholesterol from the body. In conjunction with a healthy diet, Cholesterol Complex with Plant Sterols helps support cholesterol levels already within a normal range.[†]

**Corowise® is trademark of Cargill.
