Healthy Skin and Immune Health*

For healthier skin, lysine can offer the support you need.* Lysine, one of the nine essential amino acids, plays a vital role in the creation of hormones, enzymes and proteins in the body, including collagen, which is a key factor for supporting skin health.* This high potency, once daily formula also helps support immune health and calcium absorption.*

CONTAINS NO Artificial colors, flavors, or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool, dry place.
