

As we age, collagen synthesis in our bodies declines and can lead to the loss of skin elasticity, as well as other common signs of aging. Now is the time to activate your inner beauty and let it radiate out.*

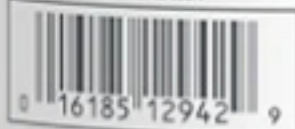

NeoCell's Collagen Beauty Infusions Drink Mix with Biotin is made from a combination of beauty nutrients that work together to strengthen skin and support healthy hair and nails.* It also contains vitamin C for enhanced collagen formation and antioxidants for free radical cellular support.* Not to mention hyaluronic acid to support skin hydration.* Oh, and did we mention it's delicious? Because it is.
