Magnum[®] Nutraceuticals is dedicated to integrity in producing the highest quality sports nutrition supplements. Magnum[®] commissions only CGMP (Certified Good Manufacturing Practices), Site Licensed (Pharmaceutical) Manufacturing Facilities to produce our highly advanced, quality formulas. These facilities are Government audited for quality assurance and label claims. Because of this, our customers can be sure that every ingredient used is Pharmaceutical Grade and that our formulas will be far more effective in a much shorter period of time. Magnum[®] goes this extra distance to provide the absolute highest quality ingredients possible for every formula and to instill confidence in our clients that Magnum[®] is the brand to trust.
