

GENIUS DIET PILLS Smart Appetite Suppressant is a natural, caffeine-free weight loss wonder. Science does the talking for us and by featuring a non-proprietary, transparent dose of clinically tested SATIEREAL® Saffron.* This is for safe long-term weight loss and serves as a powerful complement in diets designed for helping those who want to lose pounds, or one or two sizes, or simply adopt healthier and wiser food practices.* SATIEREAL® Saffron has been shown that it may help to control appetite & food cravings while supporting mood swings associated with dieting.*

DIRECTIONS: Take one capsule twice daily before breakfast & dinner respectively or as recommended by a healthcare practitioner. Stack with other Genius products for accelerated results. Visit TheGeniusBrand.com for more information on stacking.

WARNINGS: Do not exceed recommended dose. Consult with your physician before using this product if you are pregnant, nursing, under the age of 18 or taking anticoagulant or anti-platelet medications, drugs for depression, migraines, Parkinson's disease or psychiatric disorders. Avoid use if you have a bleeding disorder or kidney disease. Keep out of reach of children.
