

SUGGESTED USE: Take one capsule up to three times daily, preferably before meals with a glass of water.

Four Well-Studied Probiotic Strains to Support Digestive Health!

Supporting a healthy digestive tract with beneficial bacteria is essential for optimal digestive health.[†] A majority of the immune system is housed within the digestive tract making it even more important to support proper gut health.[†] Our **Probiotic Quattro** contains four well-studied strains of the "good" bacteria in a convenient capsule. The unique capsule matrix allows the friendly bacteria to be delivered into the digestive tract. Refrigeration is recommended for this product, but not required, making it easy for travel situations.

[†]At time of manufacture.
