Vitamins, Minerals and Botanicals to Support Prostate Health!

The prostate is a small gland of the male reproductive system that often enlarges with age. Extensive research done on prostate issues and several nutrients shows a number of plants and micronutrients may play a role in supporting prostate health. Our **Prostate Support Softgels** contain nutrients in amounts studied to specifically maintain men's health.*

Plant sterols (such as beta-sitosterol) and Pumpkin Seed Oil: May assist with vascular health which may improve blood flow.†

Lycopene, Vitamin E, Selenium and Zinc: Antioxidants which may play specific roles in prostate health.†

Soy and Green Tea: Nutrients studied that may affect cell activities in the prostate gland.†

Saw Palmetto and Nettle: Herbs containing naturally occurring phytosterols to promote prostate health.†
