

High Potency Vitamin A & D Support Eyes, Bones & Teeth†

Fish liver oil provides a natural source of **Vitamin A & D**. These two important fat-soluble vitamins are needed to promote strong teeth, bones, and eyes, as well as support growth and the immune system.† Our formula contains natural oils since fat-soluble vitamins require the presence of fat for optimal absorption.

CONTAINS NO artificial colors, flavors, or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts or crustacean shellfish.

In compliance with State of California health laws, be advised this product contains Vitamin A in a daily dosage in excess of 10,000 IU. Large amounts of Vitamin A are known to cause birth defects or other reproductive harm. Children, women who are pregnant, or women who may become pregnant should not use this product except under the advice of a physician.
