

GENIUS PRO-GT uses the probiotic Morinaga® Bifidobacterium breve B-3 that has beneficial actions for weight loss, skin health and beauty, and has been researched in both human and animal studies.* It has been discovered that gut microbiota play a role in being overweight. Green Tea's benefit for weight loss is well known but the caffeine free phytosome technology used by GreenSelect® increases the absorption of Green Tea, improving the systemic bioavailability for results you can feel and see.*

DIRECTIONS: As a dietary supplement, take one (1) capsule daily with morning meal.

WARNINGS: Keep out of reach of children. Consult your physician prior to using this product if you are pregnant, nursing, under 18 years of age, taking medication or have a medical condition. Immediately discontinue use and contact your physician if any adverse reactions occur. Store in a cool, dry place away from excessive heat.
