

GENIUS SLEEP AID because a quality night's sleep is so important to overall health.* Our natural sleep aid sources the best ingredients found in nature! GENIUS SLEEP AID helps adults restore cognitive function and wake up feeling refreshed and renewed.* Our non-habit forming supplement uses less than 1mg of Melatonin, SLEEP AID relies primarily on pure herbs and proven amino acids to optimize sleep so you aren't running the risk of building up melatonin tolerance & forming dependency.* In addition to the synergistic relaxation & sleep blend, SLEEP AID also provides adrenal support with Rutaecarpine, an ingredient known for caffeine management.* Fall asleep faster by reducing caffeine from the body.*

DIRECTIONS: As a dietary supplement, take two (2) capsules 30 minutes before bed. Genius Sleep Aid is best when taken 5 nights per week with two days off. We recommend using on nights where good sleep is especially important.
