

**GENIUS TEST** is made with three premium, researched and trademarked ingredients. Two key ingredients are KSM66 Ashwagandha® and PrimaVie® Shilajit-Fulvic Acid. KSM66 Ashwagandha® studies showed positive results at 600mg, but GENIUS TEST delivers 1,000mg for optimal testosterone levels within normal range.\* It also beneficially lowers cortisol levels, as unchecked cortisol can negatively effect testosterone.\* PrimaVie® Shilajit-Fulvic Acid, a clinically studied ingredient, was shown to scientifically increase free and total testosterone levels within normal range.\*

**DIRECTIONS:** As a dietary supplement, take four (4) capsules, one serving, once a day with morning meal.

**WARNINGS:** This product is intended for healthy adults only. Keep out of reach of children. Consult your physician prior to using this product if you are pregnant, nursing, taking medication or have a medical condition. Immediately discontinue use and contact your physician if any adverse reactions occur. Store in a cool dry place away from excessive heat.
