GENIUS VEGAN PROTEIN is the signaling of a new era where strong & natural are no longer opposing forces. Made with the absolute highest quality plant protein sources and enhanced with Velositol®, GENIUS VEGAN PROTEIN unlocks true muscle-building capability.*

Break-Through Creamy Taste

It's no secret that meeting your protein requirements while on the vegan diet can be a challenge, and in theory, consuming a protein shake makes sense. The problem? Most plant protein shakes on the market today share the same texture as chalk and it's a daunting task to choke them down daily.

Our solution? Innovate! GENIUS VEGAN PROTEIN is formulated with Clean Cream™, an all-natural, vegan-friendly creamer derived from heart-healthy fats! The end result is a plant-based protein that you can actually enjoy!
