

Collagen is the most abundant protein in our bodies by weight. As we get older, our collagen begins to deteriorate and can lead to many common signs of aging. Super Collagen Plus powder helps you fight back and nourish your skin from the inside out.*

Combining Hyaluronic Acid and Antioxidants, Super Collagen Plus powder helps to hydrate the skin and aid in healthy collagen formation.* Support what time has stripped away, and nourish your inner beauty.*

SUGGESTED USE: Take one (1) scoop daily, dissolved in your favorite beverage or recipe.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.
