*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: sorbitol, mannitol, natural orange flavor, modified cellulose gum, magnesium stearate, natural licorice flavor, and sodium citrate.

Contains wheat/gluten and soy.

In order for B-vitamins to be utilized by the body, they must first be converted into their active coenzyme forms. This sublingual COENZYME™ B COMPLEX goes directly into your bloodstream in its active form, ready to go to work immediately.

Suggested Use: 2 to 3 tablets daily, or as recommended by your health care professional. Place tablet under tongue and allow to dissolve slowly, altering the position of the tablet to avoid prolonged contact with the same area.

NOTE: If you are pregnant or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians.
